

Byron Bay Accommodation Seacliffs Sanctuary

Welcome to Seacliffs Estate

Where you find yourself so close to everything but peacefully away from it all.

Located in Suffolk Park, Seacliffs Estate is the newest environmental jewel in the Byron Bay crown. This master-built home is perched high on the ridge with beautiful elevated views of the natural surrounds, looking out to the 300ft vertical rainforest sweeping the escarpment. With beautiful Tallows Beach at Suffolk Park and Broken Head only a 3-5 minute drive and Byron Bay Town Centre a 7min drive away, this property offers the best of both worlds. Escape your demanding schedule as you watch the local wallabies going about their daily routine... set up the cricket stumps or skate along the private forest lined road, relax by the pool or simply chill in this special location.

This location and property is unique.

Less than one year old, this house offers four large bedrooms and various living spaces to choose from. The private main bedroom welcomes morning birdlife and elevated views of the valley or a vintage claw foot bath for an evening soak. The fresh expansive kitchen (including a butlers pantry) provides a seamless stone island bench to prepare and/or congregate around, both the kitchen and living space flow onto the large and very comfortable upper deck. The "Maxwell Smart" influenced media room is perfect for those lazy Netflix or sport watching afternoons. Downstairs presents the remaining three bedrooms with a connecting rumpus/TV room/office space, with yet another large shady and very cool summer deck area; supporting your morning yoga routine, table tennis tournaments or just relaxing further into the Byron way of life. Finally, this space flows onto the travertine lined poolside area ~providing private (post beach) poolside lazing or gazing up to the tropical escarpment from the pools "cocktail bench" 🍹 allow the bordering forest surround you and surrender another day in The Bay.
